

Dear Extended Day families,

Can you believe that the school year is coming to an end? As they say, "Time flies when you are having fun", and boy has it been fun. It was a pleasure getting to know so many families at Rye Country Day and I was thrilled to have many new children join the program throughout the year. The children had a great time each day pursuing a variety of activities, some of their favorites being: messy ooblek, spin art, clay creations, making a rainbow with a pot of gold, "kindergarten" legos, different kinds of painting-watercolors, finger paint, string painting, painting with straws and more. All of the children became very involved in the process and they enjoyed creating magnificent works of art.

Other Highlights of Extended Day:

- making new friends
- learning to pump yourself on the swings
- finding some of nature's best treasures on our playground
- playing in different classrooms
- becoming strong enough to do the monkey bars
- discovering what's hiding in the mystery boxes

We will end our year with some favorite activities, special projects, new mystery boxes, and lots of time outside enjoying the beautiful spring weather. Thank you for sharing your child with us, each of them helped to make the program fun and successful. Hopefully we will see you in our summer program and if not; have a wonderful summer with your family; I will look for you at the beach!

Extended Day Coordinator, Wendy Hargreaves

A handwritten signature in cursive script that reads "Wendy Hargreaves". The signature is written in black ink and is positioned below the typed name of the coordinator.
