

May Newsletter

Dear Monkey and Dragonfly families,

Can you believe that we are beginning our last month of school? What a fun year we have had learning about so many different things. We have learned about colors, the four seasons, trees, leaves, the Olympics, weather, insects, author Lois Ehlert, artist Claude Monet, and so much more. It is truly impressive how much the children have learned and how they have expanded upon our curriculum!

We will begin the month working hard on our Mother's Day gifts. The children will be very excited to give mom their special surprises. Mid May we will be celebrating our last month together with special days and fun projects.

Thursday May 13th Favorite Hat Day- wear your favorite hat to school

Friday May 14th Teddy Bear Picnic- bring your favorite stuffed animal to school

Friday May 21st Bubble Day- bubble party on our playground

Monday May 24th & Tuesday May 25th- Popsicle Day

We will end the month "putting our classrooms to bed", helping to bring closure to the year. Our older children that are moving on to Kindergarten will have a graduation ceremony and sing-a-long on our last day of school, Wednesday May 26th at 11:15. The children will be making invitations to be sent home.
