Welcome back!

We can't believe that we are in the final month of school. We had so much fun learning about polar bears, rain forest, worms, plants and so much more that our school year flew by quickly!

This month we will celebrate the letter P. Planting, painting, puppets and the last week, we will party ☺. We will celebrate with dance parties, favorite finger plays and much outside play!

We would like to thank you for all the afternoon snacks and wish list items you supplied. If you would like to come in and read a story to the children these last few weeks, please let us know. Story is usually read at the end of the day.
