January "New 3's" Class

Every year there are children who turn three in the fall after our September 30th cut off date and we receive calls asking if those children can attend when they turn three. We are excited about the opportunity to offer a program beginning in January for children who turn 3 by January 31st. If you know of someone who might be interested in this class, please have them call (603-964-5486) to schedule a visit or find out more information.
