- **Pick-up information will be shared with families registered for the program.**

Registration forms for September Early Morning Care/Extended Day will be mailed to families responding to our initial Early Morning Care/Extended Day Questionnaire and needs to be completed and returned to us by September 1. Children registered for September will automatically receive a registration form for the following month. If your child is not attending in September, but you would like to receive registration forms for future months, you will need to contact the office. We always do our best to add children as requested, but space is not guaranteed.
