EXTENDED DAY PROGRAM INFORMATION

Extended Day at Rye Country Day is available (as space allows) to our Preschool and Kinder Owl Students. This program allows children to continue their day away from home in a familiar and caring setting. Unhurried lunchtimes, quiet reading times, and a variety of activity choices fill these extended hours.

- **Registration for Extended Day:** Parents using our Extended Day Program must complete a registration form in advance of each month and payment for that month must be received before the start of the program.
- **Requirements:**
 - Every child will bring a nutritious lunch that includes a drink. Please include ice packs to keep your child's lunch cold and remember we are a peanut/tree nut free facility.
 - Full Day children need to bring an afternoon snack and drink.
- **Pick-up information will be shared with families registered for the program.**

The first week in June a statement for the 1st tuition payment (due July 1st) will be mailed to all families. **This mailing will include an Early Morning Care/Extended Day Questionnaire for families with Preschool or Kinder Owl children.**

Anyone planning to use either of these programs needs to complete the questionnaire and return it with their 1st tuition payment. **The September Early Morning Care/Extended Day Registration Form will be included in the *Required Forms Packet* of those families who have completed and returned the questionnaire.** We always do our best to add children during the year as requested, but space is not guaranteed.
